

Program Reminders

Commercial Customers

✓ MAINTAIN A CLEAN STREAM

- Garbage and Organics **DO NOT** belong in the blue **RECYCLABLES** carts and/or bins.
- Make sure recyclable plastic, metal and glass food containers are empty and clean before placing them in the blue **RECYCLABLES** carts and/or bins. Please remove lids from glass containers.

✓ MAXIMIZE SPACE AND PREVENT LITTER

- Flatten corrugated cardboard and paper boxes. Flatten plastic bottles, then put the lid on the bottle.
- Avoid overloading your carts and/or bins.
- Keep lids closed when possible.
- Contain small and light-weight garbage items to keep them from blowing away during collection.

✓ WE CAN HELP! OUR REPRESENTATIVES ARE AVAILABLE TO:

- Visit your business to conduct waste assessments.
- Make service suggestions.
- Help train staff and/or tenants.
- Provide posters and service guides.

Proper Sorting Makes a Difference!

Use the correct carts and/or bins to sort your waste for:

- compliance with California regulations.
- a reduction in the amount of material going to the landfill.
- a reduction in greenhouse gas emissions.

BLUE = RECYCLABLES

GREEN = ORGANICS

GRAY = GARBAGE

IT IS ILLEGAL TO DISPOSE OF HAZARDOUS WASTE IN THE ORGANICS, RECYCLABLES AND GARBAGE CARTS/BINS.

WHAT IS HAZARDOUS WASTE?

Poisons: pesticides, herbicides and insect sprays.

Toxic Chemicals: acids, swimming pool chemicals, chlorine bleaches, lye, liquid drain openers, paint, thinners, varnishes, strippers, rust removers, photo and x-ray processing products.

Automotive Fluids: cleaners, solvents, used or new motor oil, transmission fluid, gasoline, anti-freeze, and brake fluid.

Batteries and E-waste: computers, monitors, printers, etc.

Aerosol Cans and Tanks: with any amount of helium, propane or oxygen.

Mercury-Containing Items: thermometers, CFLs, fluorescent lights, etc.

Unwanted Medications: do not flush down the toilet.

Sharps: needles, lancets, etc.

HOW DOES MY BUSINESS PROPERLY DISPOSE OF HAZARDOUS WASTE? San Ramon businesses which generate small quantities of hazardous wastes are eligible to use the Central Contra Costa Sanitary District/Mt. View Sanitary District Household Hazardous Waste Collection Facility located at 4797 Imhoff Place, Martinez. Hazardous waste generated in the central Contra Costa County area will be accepted at no charge upon drop-off. The facility's hours are Tuesday through Saturday for businesses by appointment only.

PLEASE NOTE: State regulations limit the transportation of HHW to 15 gallons or 125 pounds per vehicle per visit. Individual containers are limited to a 5 gallon capacity. There are no limitations on the number of visits per day. When transporting household hazardous waste, use closed containers and carefully pack them to prevent tipping, spillage, or breakage during transport.
