MOVE-OUT GUIDE Reduce Waste During Your Move

By following the tips and resources listed here, you will help our community to reduce waste and conserve resources.

THINK GREEN WHEN PACKING UP!

- Check www.Craigslist.org and www.Freecycle.org to see if another local resident has posted moving supplies.
- Visit nearby moving companies like U-Haul; they may have gently-used boxes available for no charge.
- Avoid using packing materials that are not reusable or recyclable.
- Have non-perishable food that won't be moved? **Move For Hunger** works with relocation companies to collect non-perishable food items and deliver them to food banks. More information at: www.moveforhunger.org.

HAZARDOUS WASTE HAS ITS PLACE.
 It is illegal to dispose of hazardous waste in the Organics, Recyclables and Garbage carts/bins. Visit www.sanramon.ca.gov/HHW for more information on proper disposal of hazardous waste.
