We thank you for all of your efforts.*

SAY “NO” TO CONTAMINANTS! Garbage and Organics DO NOT belong in the **RECYCLABLES** bin/cart. For a comprehensive list of what belongs in each collection container, visit our website or scan the QR code on container labels or at right.

MAINTAIN A CLEAN STREAM! Empty, rinse, or wipe recyclable plastic, metal, and glass food containers before placing them in the **RECYCLABLES** bin/cart.

KEEP AN EYE ON THE SIZE! Corrugated cardboard and paper boxes should be flattened and large pieces cut to 2' x 3' or smaller. This creates more room in the recycling bin/cart, prevents litter, and keeps materials from blocking the hopper of the collection vehicles.
