# Commercial Customer News

JUNE 2021

## Right-size your service levels!

**As COVID restrictions begin to ease, make sure your collection service levels are the best for your bottom line and are compliant with State and Local laws.**

Not only is it a State requirement for businesses to recycle wherever possible, but there are deep discounts available for businesses who sort waste carefully and have the correct levels of Recycling and Organics service with ACI of San Ramon.

Visit: [www.CalRecycle.ca.gov](http://www.CalRecycle.ca.gov) for more information about the Mandatory Commercial Recycling Ordinances.

## Are You Compliant? We Can Help You Improve (or Start) Your Recycling Program Today!

**Our Sustainability Specialists will visit your business\* to:**

- Conduct waste assessments.
- Make service suggestions.
- Help train staff and tenants.
- Provide service guidelines, posters, brochures, internal collection container options, and more.

**More helpful links and resources for businesses are available on our website: [www.sanramonrecycles.com/commercial/resources/](http://www.sanramonrecycles.com/commercial/resources/).**

*\*Social Distancing Protocols Required.*

**BLUE = RECYCLABLES**

**GREEN = ORGANICS**

**GRAY = GARBAGE**

## Collection Service Tips

*As an essential service, the employees of ACI of San Ramon continue to provide the collection and processing of garbage, recyclables, and organics for the City of San Ramon. Help us provide safe and efficient service!*

- Keep your collection cart/bin lids closed. Do not overload your containers.
- Make sure the area around your carts or bins is clear on collection day.

**Need additional collection containers or more frequent service? Contact us today. We can help you create an efficient collection program to best suit your needs.**

## Holiday Service Schedule

Service will be provided as usual during the weeks of Independence Day and Labor Day.

## The Recycling Market Development Zone (RMDZ) Program

The Recycling Market Development Zone (RMDZ) program combines recycling with economic development to fuel new businesses, expand existing ones, create jobs, and divert waste from landfills.

This program provides:

- Attractive loans.
- Technical assistance.
- Free product marketing.

Qualifying businesses must use materials from the waste stream to manufacture their products and be located in a zone. Local incentives vary from jurisdiction to jurisdiction. Please visit: [www.calrecycle.ca.gov/RMDZ/](http://www.calrecycle.ca.gov/RMDZ/) for more information on the program, zone locations and how to qualify.

## Do You Manufacture a Product in California?

*CA Made is a state labeling program designed to encourage consumer product awareness and to promote the purchase of products manufactured in California.*

Approved products receive:

- A license to use the CA Made label.
- Marketing benefits.
- Access to services from program partners.

To learn how to qualify and join the program, please visit <http://camade.ca.gov>.

## ReThink Disposable Technical Assistance Program

Prevent waste before it starts! By reducing single use disposable packaging, your food service business can:

- conserve resources.
- prevent waste.
- reduce ocean pollution.
- increase operational efficiency.
- improve customer satisfaction.
- save money.

For more program info and materials, visit: [www.rethinkdisposable.org/businesses](http://www.rethinkdisposable.org/businesses).
