

Proud to be your service provider for the collection of **Recyclables, Organics, & Garbage.**

Multi-Family Residential News

AUGUST 2021

Does Your Complex Have the Right Levels of Collection Service?

Multi-Family complexes in San Ramon must subscribe to adequate levels of service for recyclables, organics, and garbage. Visit: www.CalRecycle.ca.gov for more information about the Mandatory Commercial Recycling Ordinances.

Recycling can save money! Many complexes find that they can reduce costs by maximizing their recyclables and organics services and reducing garbage service.

Not having the right levels of service also causes overflow, creates litter, and pollutes storm drains.

- Litter pollution (especially plastics):
- Persists in the environment for hundreds of years.
 - Poses a threat to wildlife.
 - Harbors harmful chemicals.

Educate your management, maintenance staff, and tenants on proper sorting and disposal. We can help! ACI of San Ramon Sustainability Specialists are available to:

- Visit your complex to conduct waste assessments.
- Make service suggestions.
- Arrange a presentation regarding the collection program and proper sorting tips.
- We can provide recycling totes, kitchen pails, educational materials and answer questions.

Reduce Waste by Stopping Unwanted Mail

EVERY CHOICE HAS AN IMPACT AND YOU HAVE THE POWER TO CREATE CHANGE!

- Remove your address from direct mail registries: www.directmail.com/mail_preference/
- Discontinue unwanted catalogs: CatalogChoice.org
- Prevent automatic phonebook deliveries: YellowPagesOptOut.com

For waste reduction tips, reuse ideas, food waste prevention, and more, visit: BayAreaRecycling.org.

Service Provided on Labor Day

There are **NO CHANGES** to the collection schedule during the week of Labor Day.

Proper Sorting Makes a Difference

We Thank You For Your Efforts.

Sorting your waste correctly means:

- Compliance with City and State regulations.
- A reduction in the amount of material going to the landfill.
- A reduction in greenhouse gas emissions.

Small Sorting Actions That Make a HUGE Impact!

FLATTEN CARDBOARD

Corrugated cardboard and paper boxes should be flattened and large pieces cut to fit in the bin or cart. Doing so:

- Allows for more room in the container.
- Prevents overflow and litter.

KEEP IT CLEAN & LOOSE

- Empty, wipe and/or rinse recyclable plastic, metal and glass food containers; and make sure recyclable paper is clean and dry.
- Keep **RECYCLABLES** loose (except for plastic bag-in-bag) inside your collection containers.

DID YOU KNOW?

RECYCLABLES in bags (especially opaque/black ones) are sorted out as garbage and end up in the landfill.

WHEN IN DOUBT...FIND OUT!

For a list of what belongs in each container, visit www.SanRamonSort.com or scan the QR code at right or on your container.

We Have Special Resources Just for Multi-Family Complexes!
