Multi-Family Residential News

NOVEMBER 2021

SENATE BILL 1383 California's Short-Lived Climate Pollutant Reduction Strategy

*California is requiring organic material (such as food scraps) be diverted away from landfills and surplus food be redirected to hungry people.
How can you comply?*

GREEN = ORGANICS

STARTING JANUARY 1, 2022:

- All residents and businesses in the City of San Ramon will need to have organic waste collection services. Contact ACI of San Ramon to sign up or improve your organics collection services today!
- Some businesses must donate edible food to food recovery organizations with others starting in 2024.
- Non-compliance will lead to fines and penalties.

REDUCING ORGANIC WASTE IN LANDFILLS = LESS METHANE.

Organics like food scraps, yard trimmings, paper, and cardboard make up half of what Californians dump in landfills. Organic waste in landfills emits methane, a climate super pollutant 84 times more potent than carbon dioxide (CO₂).

Proper sorting makes a difference!

Most customers can minimize garbage bills by recycling. Proper use of recycling and organics containers may decrease the amount of garbage service needed. For a list of FAQs, rates, and program information please visit: www.SanRamonRecycles.com.

To help with proper sorting, ACI of San Ramon provides one tote and pail to each unit at no charge.

THE RECYCLING TOTE makes it easy to transport recyclables to the blue recycling collection containers at your complex.

THE HANDY KITCHEN PAIL is for the collection of food-soiled paper and food scraps. Tenants simply empty the contents of the pail into the green organics collection containers at your complex.

If you haven't received your Recycling Totes and Handy Kitchen Pails yet, contact us today to arrange delivery.

Multi-Family Holiday Tree Collection

ACI of San Ramon will collect holiday trees at no additional charge during the month of January. Clean green trees will be composted.

THERE ARE 2 COLLECTION METHODS:

1. Complexes with a large number of holiday trees can request a debris box for collection. Contact us or visit our website: www.sanramonrecycles.com/holiday/ for more information, downloadable flyers and a form to reserve your debris box.
2. Complexes can designate a collection area for trees during the month of January. Approval of designated collection area by ACI of San Ramon personnel is required. **Contact us to make arrangements at 925-380-9480.**

PLEASE REMEMBER:

- Remove all decorations, lights, & the stand.
- Cut tree in half if taller than 6 feet.
- Please do not place tree in any type of plastic wrap or bag.
- Flocked trees accepted, but will not be composted. Artificial trees not accepted.

Everyone at ACI of San Ramon wishes you the happiest of holidays and a successful 2022.
