

Proud to be your service provider for the collection of **Recyclables, Organics, & Garbage.**

Single-Family Residential News

JULY - SEPTEMBER 2022

Thank You for Helping Us Provide Safe, Clean, and Efficient Service!

BE SURE YOUR CARTS ARE AT THE CURB BY 5:30AM ON YOUR COLLECTION DAY. LOG INTO YOUR ACCOUNT OR CONTACT US TO FIND YOUR SERVICE DAY.

- Place your carts facing the street with wheels against the curb.
- Leave 3 feet between each cart whenever possible and keep carts away from parked cars, fire hydrants, low-hanging branches, basketball hoops, utility poles and other obstacles.
- Extra cardboard can be placed beside your recycling cart, flattened, and cut down to pieces no larger than 2 feet by 3 feet.
- Leave the carts at the curb until we've emptied them. *Our trucks can arrive at different times of day each week. **REMEMBER: your collection carts must be put away off of the curb after they are serviced.***
- Avoid overloading your carts. *The lids should be closed completely. Wedging or compacting materials in your carts can cause litter and prevent your cart from emptying properly.*
- Overflow garbage will be collected when pre-paid tags are affixed to the trash bag(s). Call ACI of San Ramon to purchase tags, extra yard trimmings bags, or to arrange for additional service.
- Materials from a construction, demolition or landscaping project do not belong in your carts. Call ACI of San Ramon to arrange temporary debris box service for these items.

TRASH FREE TIP

Make a Reuse To-Go Kit!

Having reusable bags, napkins, utensils, cups, bottles, and wraps reduces the need for disposables. Don't forget!

BAGS: Keep bags in the car, in the trunk or backseat; remember that your unloading chore is not complete until the bags are back in the car!

MUGS AND WATER BOTTLES: When you wash your mug or bottle each night, put it back with your keys, wallet, glasses, etc. (things you'll take with you when you leave home each day.)

For more reminder tips visit: www.bayarearecycling.org/reuse-to-go.

PROPER SORTING MAKES A DIFFERENCE! Help Protect Our Sorting Staff

Our Materials Recovery Facility (or MuRF) sorting staff thanks you for keeping them safe by making sure needles, sharps, masks, gloves, wipes, tissues, garbage, organics (including food scraps and food-soiled paper), and anything with bodily fluids on it stays out of the recycling.

BBQ Season is Here!

Be sure to properly dispose of ash

- Place fireplace, stove, and barbecue ashes in a metal container with a tight fitting lid.
- Put the container outside - at least 10 feet away from your home and combustibles.
- Wet the ashes down. COLD ashes must be contained (in a bag or box), so they do not blow away during collection, and placed in your GARBAGE cart.

*Hot ashes and
GARBAGE carts
don't mix!*

Go Paperless - Plant a Tree!

*For every
customer
that goes
paperless,
ACI will plant
a tree in the California
Wildfire Recovery Project
with Tree-nation!*

Trees will be planted monthly, based on the number of paperless sign ups. Visit our website: www.SanRamonRecycles.com, and click on the "Account Login" button in the upper right-hand corner to sign up. Visit the virtual ACI forest at: <https://tree-nation.com/profile/alameda-county-industries-1>.
