## Use Your Handy Kitchen Pail and Organics Cart for Senate Bill 1383 Compliance!

**SB 1383 is California's Short-Lived Climate Pollutant Reduction Strategy.**

Organics like food scraps, yard trimmings, and food-soiled paper make up half of what Californians dump in landfills. By reducing the landfilling of food & yard waste, we can reduce waste and the greenhouse gases that contribute to climate pollutants.

Use your kitchen food scraps pail to store food scraps on your countertop or under the sink until you empty it into your **ORGANICS** cart. Please do not place the pail at the curb for collection.

**Thank you for your efforts, it makes a world of difference!**

For more information about Senate Bill 1383, visit: [www.calrecycle.ca.gov/organics/slcp](http://www.calrecycle.ca.gov/organics/slcp).

## Free Curbside Collection

**Household Batteries:** In a zipper-lock style bag on top of (not inside) your **Recyclables** cart. Please tape terminals on 9 volt batteries. No automotive, lithium ion or nicad batteries allowed, these are treated as Hazardous Waste.

### Used Motor Oil & Cooking Oil:

In separate 1-gallon, or smaller, sealed screw-top containers (oils cannot be mixed). Used oil filters in a sealed zipper-lock style bag. Place next to (not inside) your **Recyclables** cart. Oil jugs and oil filter bags may be requested from ACI of San Ramon. No other automotive liquids accepted.

**Have extra?** Contain occasional extra recyclables in paper bags or cardboard boxes and place next to your **Recyclables** cart for collection. Excess cardboard needs to be flattened, cut to pieces no larger than 2 ft by 3 ft, and stacked next to your **Recyclables** cart.

## Contact ACI of San Ramon to Purchase These Items:

**EXTRA GARBAGE BAG TAGS** are used for overflow garbage. Extra material will be collected when pre-paid tags are affixed to the trash bag(s). Call us to purchase tags or to arrange for additional service.

**EXTRA YARD TRIMMINGS BAGS** can be purchased and placed next to your **Organics** cart on collection day. Yard trimmings set out in these bags will be composted. (Only ACI of San Ramon bags are accepted. Contact us to purchase).

## You Can Minimize Water Pollution

**Keep the creeks, rivers, the Delta and the Bay clean and healthy. Follow these tips:**

- If you change your own oil, contain and recycle used oil and filters properly. ACI of San Ramon will collect properly contained used motor oil and filters. (see "Free Curbside Collection" article at left)
- Place litter in the correct collection cart and make sure the lid is fully closed.
- Prevent leaves in storm drains, place them in your green **organics** cart.
- Avoid using fertilizers and pesticides, especially if rain is forecast.

**HOLIDAY SERVICE SCHEDULE:** Collection schedule will NOT change during the weeks of Martin Luther King Jr. Day and Presidents' Day.
