Reduce, Reuse, Rethink, and Recycle Before You Dispose

EVERY CHOICE HAS AN IMPACT. YOU HAVE THE POWER TO CREATE CHANGE!

CHOOSE REUSABLES. Make it a habit to use travel mugs, reusable water bottles, and shopping bags/totes.

BEFORE YOU REPLACE AN ITEM, SEE IF IT CAN BE REPAIRED. And if you do purchase something new, find the highest quality/longest lasting option possible.

OPT FOR USED PRODUCTS. Reuse what you already have, or purchase a "gently used" item from a resale/thrift shop. Share/trade items with friends and neighbors, or browse reuse websites such as: Resource.Stopwaste.org or FreeCycle.org.

REDUCE WASTE BY STOPPING UNWANTED MAIL! Remove your address from direct mail registries at www.directmail.com/mail_preference. Discontinue unwanted catalogs at CatalogChoice.org. Prevent auto phonebook deliveries at YellowPagesOptOut.com.

GET SOCIAL. See and share reuse, repurposing, and recycling ideas on our FB and IG social media sites. [@SanRamonRecycles](https://www.facebook.com/SanRamonRecycles) and [@TrashFreeSanRamon](https://www.instagram.com/TrashFreeSanRamon).

Be a Waste Sorting Pro!

Use your containers to properly sort your waste for:

- Compliance with California law SB1383.
- A reduction in the amount of material going to the landfill.
- A reduction in greenhouse gas emissions.

Avoid contamination and protect our sorting staff by properly sorting your waste. Make sure the items you place in your **Recyclables** cart are recyclable.

- Styrofoam®, loose plastic wrap and bags, and snack packaging belong in your **GARBAGE** cart.
- Food scraps and food-soiled paper belong in your **ORGANICS** cart.
- Make sure recyclable plastic, metal, and glass food containers are empty and dry before placing them in the **RECYCLABLES** cart.
- Keep your **RECYCLABLES** loose. Do not bag or contain (except for multiple plastic bags-in-bag.)

Thank you for your efforts!
