# Multi-Family Residential News

NOVEMBER 2023

## Make Proper Sorting Easier

- California is requiring organic material (such as food scraps) be diverted away from landfills and surplus food be redirected to hungry people.\*
- All residents and businesses in the City of San Ramon must have organic waste collection services.
- Proper use of recycling and organics containers may decrease the amount of garbage service needed - minimizing your garbage bill. Contact ACI of San Ramon to improve your recycling and organics collection services.

BLUE = RECYCLABLES

GREEN = ORGANICS

GRAY = GARBAGE

**To help with proper sorting, ACI of San Ramon provides one tote and pail to each multi-family unit at no charge.**

**THE RECYCLING TOTE** makes it easy for your tenants to transport recyclables to the blue recycling collection containers at your complex.

**THE HANDY KITCHEN PAIL** is for the collection of food-soiled paper and food scraps. Tenants simply empty the contents of the pail into the green organics collection containers at your complex.

**If you haven't received your Recycling Totes and Handy Kitchen Pails yet, contact us today to arrange delivery.**

## Trash-Free San Ramon

*The City of San Ramon's new commitment to encourage, educate, and reward its businesses and residents that take steps toward reducing dependency on single-use foodware.*

**TOGETHER, WE CAN MAKE A DIFFERENCE!**

Choosing reusable dishware over disposables:

- Reduces the litter found on roadways and creek beds.
- Avoids unnecessary trash that is normally sent to landfill (*most disposable foodware is not readily recyclable, nor does it add nutrients to compost*).
- Protects the San Francisco Bay and Pacific Ocean from pollutants.
- Encourages customers to bring cups/water bottles/travel mugs to be refilled, use reusable utensils, and bring reusable containers for leftovers.

Visit: [www.sanramon.ca.gov/trash-free](http://www.sanramon.ca.gov/trash-free) to find participating locations, to nominate a business that should be considered for certification, and to discover ways to live a Trash-Free lifestyle!
