Commercial Customer News

SEPTEMBER 2023

Are You Compliant With State Mandated Regulations?

ALL SAN RAMON BUSINESSES MUST SUBSCRIBE TO ADEQUATE SERVICE LEVELS FOR RECYCLABLES, ORGANICS, & GARBAGE.

Commercial businesses must prevent **RECYCLABLES** and **ORGANIC** material from being placed in the garbage and have collection services for these materials in place. Visit www.sanramonrecycles.com/sb1383, www.calrecycle.ca.gov/organics/slcp, or www.sanramon.ca.gov/SB1383 for info about SB 1383's mandatory organics recycling requirement.

Reduce costs by maximizing your **RECYCLABLES** and **ORGANICS** services and reducing **GARBAGE** service. Visit: www.calrecycle.ca.gov/Recycle for more info about the Mandatory Commercial Recycling Ordinances.

We Can Help You Improve (or Start) Your Recycling Program Today! Our Sustainability Specialists will visit your business to:

- Conduct waste assessments.
- Make service suggestions.
- Help train staff and tenants.
- Provide service guidelines, posters, brochures, internal collection container options, and more.

Proper Sorting Tips

FLATTEN CARDBOARD

Cardboard and paper boxes should be flattened and large pieces cut to fit in the bin or cart.

Doing so:

- Allows for more room in the container.
- Prevents overflow and litter.

KEEP IT LOOSE

Keep **RECYCLABLES** loose inside your collection containers. **RECYCLABLES** in bags (especially opaque/black ones) are treated as garbage and end up in the landfill.

- Download and fill out the landscaper 1826 Compliance Form. Visit www.sanramonrecycles.com/commercial/forms for more information.

Keep Our Sorting Staff Safe

Our Materials Recovery Facility (or MuRF) sorting staff thanks you for keeping them safe by making sure needles, sharps, gloves, wipes, tissues, garbage, organics, and anything with bodily fluids on it stays out of the recycling.
