

Proud to be your service provider for the collection of **Recyclables, Organics, & Garbage.**

Commercial Customer News

MARCH 2024

Is Your Business Committed to Long-Term Sustainability?

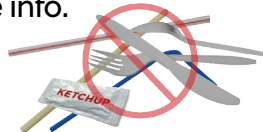

Follow these eco-friendly policies & trash-free practices:

Eliminate Single-Serve Packaging and Plastic Service Ware - Switch to reusable, recyclable, or compostable to-go containers. Become part of the Trash Free San Ramon program! Visit: www.sanramon.ca.gov/trash-free for more info.

Incentivize Your Customers to Reuse - Encourage customers to bring their own containers for takeout and reusable bags for purchases. Consider monetary incentives for those who do!

Avoid Contaminating the Recycling Stream - Sort plastic waste properly; Styrofoam®, loose plastic bags, film, wrap, and non-recyclable packaging belong in the garbage cart or bin.

Encourage Proper Disposal - Educate employees and customers consistently on the importance of proper sorting by providing the right containers and clear instructions. We can help! (see article on other side) Proper use of **Recyclables** and **Organics** containers may decrease the amount of Garbage service needed and may lower your bill. To change service levels or request additional services, contact ACI of San Ramon at **925-380-9480** or visit our website at www.SanRamonRecycles.com.

Save Money on an Energy Upgrade

Reduce energy consumption, enhance air quality, & improve the comfort of your business.

BayREN Business supports local small business owners eager to participate in energy efficiency upgrades. The program is accepting applications for businesses that meet the eligibility criteria. Incentives are available for energy efficient HVAC, refrigeration, LED lighting, water heating, envelope improvements, and more.

NEW! The BayREN Refrigerant Replacement (BRRR) program aims to replace environmentally harmful refrigerants with eco-friendlier options at low-to-no cost to food service sector businesses.

Visit: www.bayren.org/rebates-financing/business-upgrades for info.

Holiday Service Schedule

There will be **NO CHANGES** to the collection schedule during the week of Memorial Day (May 29 - June 2).

BLUE = RECYCLABLES

GREEN = ORGANICS

GRAY = GARBAGE

SENATE BILL 1383 EFFECTIVE JANUARY 2022 California Regulations Require Recycling and Composting!

Commercial businesses **MUST SORT RECYCLABLES & ORGANIC MATERIAL OUT OF THE GARBAGE.** Remember, businesses that sell food and drinks must have recycling and organics containers in all areas where disposal containers are provided for customers. Visit: www.sanramon.ca.gov/SB1383 for more information.

ARE YOU COMPLIANT? WE CAN HELP!

Our Sustainability Specialists will visit your business to:

- Conduct waste assessments and make service suggestions.
- Help train staff and tenants.
- Provide service guidelines, posters, brochures, internal collection container options, and more.

More helpful links and resources are available on our website:
www.sanramonrecycles.com/commercial/resources.

Does a Landscaping Company Off-Haul Your Yard Trimmings?

WE WANT TO HEAR FROM YOU!

CalRecycle requires written documentation that the material is being hauled to a facility that composts it for AB1826 compliance*. For a compliance form you can fill out and send back to us, visit: www.sanramonrecycles.com/commercial/forms.

THANK YOU!

(Section B-Business; question 48)

**Keep our
Workers
Safe!**
**PLEASE
REMEMBER,
NO SHARPS!**

“Sharps” is a medical term for devices with sharp points or edges that can puncture or cut skin such as needles, syringes, lancets, auto injectors (such as EpiPens), and infusion sets.

Ask your pharmacist about disposal options. Sharps may also be disposed of at the San Ramon Police Dept.

2401 Crow Canyon Rd.

The drop box is inside the building in the lobby and is accessible during office hours.

Our sorting staff thanks you for keeping needles, sharps, masks, gloves, wipes, tissues, garbage, organics, and anything with bodily fluids on it out of the recycling.

SHARE THIS INFORMATION WITH YOUR EMPLOYEES/TENANTS
