Make Sure Waste at Your Complex is Sorted Correctly

Make sure everyone in your building/complex knows what material goes in which bin.

RECYCLABLES

Loose (do not bag), empty, and dry recyclable plastic, metal, & glass food containers belong in the **RECYCLABLES** cart.

ORGANICS

Food scraps and food-soiled paper belong in the **ORGANICS** cart. No glass, no metal, no plastic.

GARBAGE

Styrofoam®, plastic wrap, and non-recyclable packaging belong in the **GARBAGE** cart.

DID YOU KNOW?

State Law Mandates Proper Sorting

The graphics on the carts and bins and our proper sorting outreach materials are a **state-mandated requirement per California Senate Bill 1383 (SB 1383)**. Even the frequency with which we inform residents that recycling and organics participation is mandatory and dictated by SB 1383. For those still unsure about what goes where, we hope you find our image-based, color-coded containers helpful. Each container label includes a QR code that links directly to our website for additional guidance. And to all of our customers we thank you for your efforts to help keep our community clean and Trash-free! For more info, visit SanRamonRecycles.com/sb1383 or CalRecycle.ca.gov/organics/slcp

Do You Need to Improve Your Recycling and Organics Program?

We can help!

ACI of San Ramon Sustainability Specialists are available for a call or visit to your complex to:

Holiday Service Schedule

Collection days will **NOT CHANGE** during the week of Memorial Day or July 4.

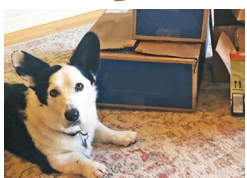

SERVICE REMINDER Tips for Safe and Efficient Collection Service

CARDBOARD - KEEP AN EYE ON THE SIZE!

Corrugated cardboard and paper boxes should be flattened and large pieces cut to 3' x 2' or smaller. Doing so:

- Allows for more room in the container.
- Prevents overflow and litter.
- Assures the pieces fit in the hoppers of the collection vehicles.

TELL US ABOUT YOUR YARD TRIMMINGS

Does a landscaping company off-haul your complex yard trimmings? We need to know!

CalRecycle requires written documentation from the landscaper that the material is being hauled to a compost facility it for AB1826 compliance. A form is available on our website at: SanRamonRecycles.com/multi-family/forms.

Trash-Free San Ramon

There are over 19 businesses in San Ramon that are Trash-Free Certified! Visit SanRamon.ca.gov/trash-free to find participating locations, to nominate a business that should be considered for certification, and to discover ways to live a Trash-Free lifestyle.

GO TRASH-FREE TO:

- Reduce litter on roadways and in creek beds and protect waterways from pollutants.
- Save money by avoiding the purchase and disposal of single-use items. (*most disposable foodware is not readily recyclable, nor does it add nourishment to compost*)
